2011-2012 CALL FOR PROPOSALS

USOAR

UNDERGRADUATE SPECIAL OPPORTUNITIES
IN ARTISTRY & RESEARCH

DEADLINE: FEBRUARY 3, 2012

What is USOAR?

USOAR is a program that funds student-generated research projects, whether the study is conducted on campus, somewhere else in the US or internationally.

How does it work?

Share your idea for a research or artistry project with a faculty member. If your idea is validated, complete and submit 10 copies of a proposal with the faculty member's signature to your college office by **February 3, 2012**. Proposal guidelines are available online at www.niu.edu/usoar.

Program Details

Students whose proposals are selected are granted up to \$2,500 to carry out their project. Students have all or part of the time between January 1, 2012 and December 31, 2012 to complete their USOAR project. Students must submit documentation (final report, receipts, pictures) to the OSEEL staff within six weeks of completion of their project.

How can I learn more about USOAR?
